🪪 PROFILE

Hello! I am a passionate and driven **Computer Science and Engineering** student at **Maulana Azad National Institute of Technology (MANIT), Bhopal**. With a strong foundation in web development, I have built numerous projects using **HTML, CSS, and JavaScript**, and I am also proficient in **React.js**. Additionally, I am actively honing my problem-solving skills by mastering **Data Structures and Algorithms (DSA)** in **C++**.

My enthusiasm for coding and problem-solving drives me to constantly explore new technologies and create innovative solutions. Whether it's crafting responsive designs, building dynamic user interfaces, or solving complex algorithmic challenges, I am committed to delivering high-quality work and continuously improving my skills.
Let's connect and create something amazing together!
